

SURREY INITIATIVE FOR TRAINING  
AND RESEARCH IN ULTRASOUND

THURSDAY JANUARY 23RD 2025

WHOLE-BODY ULTRASOUND FOR CUSIC, FAMUS & FUSIC

**A whole-day course teaching focussed ultrasound for critical care & acute medicine**

Expert faculty, state of the art ultrasound equipment, simulated and real pathologies and an unprecedented amount of hands-on scanning time mean this day should get you up to speed with your POCUS learning.

*Course held at University of Surrey, Guildford*

FRIDAY JANUARY 24TH 2025

ECHOCARDIOGRAPHY FOR FICE & FUSIC

**A whole-day course teaching focussed echocardiography**

Everything you need to get going in learning focussed echocardiography. Real and simulated pathology, loads of scanning time, expert & supportive faculty.

*Course held at University of Surrey, Guildford*

SATURDAY JANUARY 25TH 2025

CLINICAL ULTRASOUND SCANNING SESSION  
FOR FICE, CUSIC, FAMUS & FUSIC

**A half-day course teaching focussed ultrasound for critical care & acute medicine in a live scanning setting**

A whole morning of ultrasound in hospital. Highly focussed hands-on only teaching by expert faculty with limited places.

*Course held at Royal Surrey County Hospital, Guildford*

All 3 days are recognised by the representative training bodies as fulfilling requirements for accreditations and for CPD points.

**For full details of all the courses and to  
book yourself a place visit [www.sitrus.org.uk](http://www.sitrus.org.uk)**

Surrey Initiative for Training and Research in Ultrasound is a charity registered in England & Wales (1184648).

We provide training courses and use the proceeds to provide training and equipment for our local hospital, the Royal Surrey.

Our Trustees are highly experienced in ultrasound training and education and work hard to deliver a quality experience.

If you'd like to know more about our work or how you can help us, or we can help you, please contact us at [courses@sitrus.org.uk](mailto:courses@sitrus.org.uk)
